BORROWER CERTIFICATION and STATEMENT OF EDUCATIONAL PURPOSE:

I certify that I, _____, am the individual signing this Statement of Educational Purpose, and that the federal student assistance I may receive will only be used for educational purposes and to pay the cost of attending Charleston School of Law (CSOL) for 2020-21.

I understand that it is my responsibility to inform the Office of Financial Aid if I withdraw, drop classes, leave an externship, stop attending a study abroad program, or adjust my fall and spring enrollments in any way. I realize that if I drop classes or cease enrollment, I may have my financial aid and loans revised and it may create a balance owed to CSOL. If I receive a loan and then I am placed on academic probation, disqualified, or fail to meet Satisfactory Academic Progress, I understand I may not be eligible for aid and will be responsible to pay any charges and/or refunds issued for that term. I will notify the OFA if there are changes in my financial resources, including notification of additional scholarships and Veterans Benefits.

I voluntarily give consent to use electronic processes to facilitate my financial aid, such as using an electronic signature or receiving/sending documents via email correspondence. I also consent to transmitting my Charleston School of Law data and information to the Department of Education and other reporting entities as required as a recipient of Title IV funds.
